Dear Justin

I would like to declare one bus in our fleet surplus, allowing us to dispose of it by sale or salvage, whichever produces the highest return for the district. The vehicles are as follows:

Bus #	Miles	Make	Vin	Age (yrs)
67	225,603	2008 Blue Bird Vision	1BAKGCKA98F246754	22

This bus has significant issues, including problems with the frames and/or floors, as well as the air compressor, which renders it unable to pass CDE inspections. There has been some interest expressed in using buses for storage and/or for their engines, so we will offer them for sale rather than scrapping them.
