---

**To:** ESD Board of Education  
**From:** ESD Finance Director, Ron Patera   
**Date:** August 10, 2017  
**Business Date:** August 14, 2017  
**Subject:** Disposition of District Property

**RECOMMENDATION:**

To declare the equipment listed on the attached document as obsolete and approve of their disposal.

**BACKGROUND AND FINDINGS:**

Pursuant to District Policy DN, the Board of Education for the Elizabeth School District has the authority to dispose of any District property not needed in the near future. The weight equipment is no longer needed and has been replaced. The staff at EHS will attempt to sell the equipment and if unsuccessful will sell for scrap metal.

**FISCAL IMPACT:**

Any money from the disposal of the weight equipment will be used within the PE program.
