6.0 Discussion:

6.1 Review Strategic Plan: District will be sending out the staff survey next week (1/30) that will close after February 17th. Principals wanted to keep it open on an in-service day, to ensure more or all staff fill it out. DAC meets March 1st to go over the results. 2 members of DAC will then go to the Board to present the findings from the two surveys; parent and staff survey.

6.2 Recommendations for Budget Priorities: Thoughts on prioritization on goals. We as DAC could add or remove to the budget goals and priorities. It was brought up to increase salary to our teachers to keep good teachers from leaving. We provided input on the 2022 – 2023 Budget Goals. Will be looking at the budget priorities at the next meetings to see what has been added or removed.

Our Requests for Budget: Singing Hills and Running creek have requested adding walkie talkies for the buildings; we don't even have enough for all Para's let alone class rooms. We also discussed options for parent pick up support, SRO or in house district employee coming to support.

6.3 Next Meeting Date: March 1, 2023

6.4 Superintendent Discussion: January 31 application date. Why are we running it through a third party? Outside firms stay neutral; can reach out to more people. On the about us, there is a link to superintendent search. If people have comments please direct your comments to the board, either email or attend a board meeting and speak. Next meeting is February 13th.

RECORD OF PROCEEDINGS

6.5 Perception of the District Social Media is spreading like wildfires about what we are teaching in our school district. Where did this come from, why is this group saying this about our school? Please refer any questions on this topic to admin, or information on curriculum may be found on each schools website. The district is working on more ways of communicating with the community to help prevent this in the future.

7.0 Meeting adjourned at 7:32 pm
