Run4Funds Fundraiser!

What is the Run4Funds?

The Run4Funds is an all-school fun-run and fundraiser. On run day, students will run as many laps as possible in 30 minutes around a 1/16th mile track. Students will run with only their grade level, and most students will complete about 25–30 laps. This is a really fun day for the kids – we'll have a DJ playing fun music and parents are invited to cheer on their kids. Prior to the run, students will request donations from family and friends, as either a dollar amount per lap or a flat donation. Students compete on an individual and class level to earn rewards based on how many laps they run and how much money they raise.

Our goal is \$50 per student to raise \$15,000 toward the cost of ceiling mounts for projectors in classrooms. Currently our projectors are on carts and the cords can create tripping and fire hazards for students and teachers. This project would increase safety and efficiency in all classrooms!!

2024 – 2025 School Fees (Consumables)

April 2025

Dear parents,

As a reminder, the annual \$100 registration fee is due at the beginning of each school year. This fee helps cover curriculum and tech resources. As we near the close of the school year, our records indicate that still have quite an outstanding invoice balance for these fees. If you have already paid your fees, we thank you, and please disregard this communication.

It appears there may have been some confusion regarding the transition from PaySchools to MySchoolBucks, in that these are two different services/applications for school fees. To clarify, as of October 2024, the *only* fees that are paid through PaySchools are for meals.

While we continue to accept cash or checks, if you have not already done so, please create your free **MySchoolBucks** account to conveniently and securely pay for your student's school fees online or with the mobile app. With MySchoolBucks you'll be able to quickly browse school items in our School Store (which includes all field trips and donation/fundraising events), be notified when fees are due, and make payments from anywhere!

Get Started Today:

1. Go to [Myschoolbucks.com](https://myschoolbucks.com) or download the mobile app
2. Create your free account and add your students using their school name / student ID
3. Add school items or invoices to your cart
4. Check out using your credit / debit card or electronic check

A program fee may apply.

We appreciate you using this online option as a way to help reduce the amount of physical cash and checks that our staff handles for these and other school fees.

If you need assistance with your account, you can find helpful how-to videos and answers to commonly asked questions on the MySchoolBucks website. You can also contact MySchoolBucks directly by logging into your account to start a chat conversation or give them a call at (855) 832-5226. If you would like a handy 'how to' reference for MySchoolBucks, please visit our Singing Hills Elementary website and look under "Announcements" for a link to the information document.

We appreciate your assistance with the fees. Please note that they will continue to accrue year to year so getting ahead is a great idea.

Thank you,

Your Singing Hills Elementary office administration
